

Endless Summer...

Natural Gas Fire Pit

Why travel to the great outdoors when you can bring the great outdoors to you? Enjoy a clean campfire in the comfort of your own backyard.

Benefits

- **Convenient** — no wood to cut, haul or store.
- **Fast** — just turn it on and feel the warmth.
- **Feel the warmth** — from both the flame and the lava logs.
- **Economical** — easy on your household budget.
- **Cozy campfire feel** — without all the hassle.
- **Adjustable flame** — you control the heat.

Natural gas fire pits are available from your local natural gas-appliance dealers. For installation, contact a licensed contractor near you. Look in the yellow pages or call the Rocky Mountain Gas Association at 1-800-729-6791.
