

NATURAL GAS FIREPLACE

It's always the right season to enjoy the comfort and coziness of a natural gas fireplace. The rich warm glow of a fire turns any room into a favorite gathering place; and natural gas makes it easier than ever.

BENEFITS

- **CLEAN** – no messy ashes or harmful particulate emissions; okay to use even on no-burn days
 - **SAFE** – no sparks or long-burning embers, no creosote buildup or chimney to clean
 - **CONVENIENT** – no wood to buy, chop, haul or store
 - **FAST** – instant on-off
- **ECONOMICAL** – up to 80% efficient, adds value to any home, provides supplemental heat to any room
 - **VARIETY** – several types to choose from: gas logs, inserts, direct vent and free-standing
- **NATURAL LOOK AND FEEL** – realistic ceramic logs provide alluring flames without the hassle
