Natural Gas Patio Heater

Does Mother Nature dictate when the party ends? With a natural gas patio heater, she's not even invited. Now **you** decide when the party's over.

Benefits

- **Convenient** — no tanks to fill.
- **Fast** — just turn it on.
- **Warms you** — not the air around you.
- **Economical** — easy on the household budget.
- **Portable** — uses a flexible hose.
- **Wide coverage** — up to 20 feet in diameter.
- **Adjustable heat** — to match your comfort level.

Natural gas patio heaters are available from your local natural gas-appliance dealers. For installation, contact a licensed contractor near you. Look in the yellow pages or call the Rocky Mountain Gas Association at 1-800-729-6791.
