
Endless Summer...

Natural Gas Spa/Pool Heaters

Don't wait hours for your spa to come up to temperature. Get a natural gas spa/pool heater and the water will be ready when you want to get in.

Benefits

- Quick recovery
- Economical
- Efficient
- Clean burning

Natural gas spa/pool heaters are available from your local natural gas-appliance dealers. For installation, contact a licensed contractor near you. Look in the yellow pages or call the Rocky Mountain Gas Association at 1-800-729-6791.
